**RECORD OF THE ANNUAL TOWN MEETING
HELD IN THE HIGH SCHOOL AUDITORIUM
MILLIS, MASSACHUSETTS
MONDAY, FEBRUARY 12, 1940**

The Annual business meeting of the Town of Millis was called to order by Moderator Edward F. Ingraham, at 7:40 P.M. in the High School Auditorium. The Town Warrant calling said meeting was read by the Moderator which was signed by the Selectmen attested by Town Constable, Mr. William H. Thorne.

Art. 1—To choose a Moderator for one year, a Town Clerk for one year, a Town Treasurer for one year, Two Constables for one year, One Selectman for three years, One member of the Board of Public Welfare for three years, Two members Planning Board for three years, One Assessor for three years, One School Committeeman for three years, One Trustee of Public Library for three years, One Cemetery Commissioner for three years, One Park Commissioner for three years, One Sewer Commissioner for three years, One Tax Collector for one year, One Water Commissioner for three years, One Tree Warden for one year.

Town Clerk, Lloyd C. King read the result of the Annual Town Election held in the Grange Hall, Millis, between the hours of 6:00 A.M. and 3:00 P.M., after which the Moderator declared the several officers elected as read.

Art. 2— To hear and act on the reports of Town Officers and Committees.

VOTED to accept the reports of the various Town Officers and Committees as printed in the Annual Town Report for the year ending December 31, 1939.

Art. 3— To see if the Town will appropriate the sum of \$3200.00 for the maintenance of law and order or act in any manner relating thereto.

VOTED that the Town appropriate the sum of \$3100.00 for the maintenance of law and order.

At this time Mr. Raymond Simpson, Mr. Rudolph King and Mr. Ivan F. Richardson spoke for the citizens of the Town of Mills commending the services of J. Clarence Horne who served so faithfully and efficiently as Tax Collector for a period of forty three years ending December 31, 1938 with the result the following motion was passed:

VOTED that a rising vote of thanks be given our former Tax Collector J. Clarence Horne for his wonderful record as a public servant as Town Tax Collector.

Art. 4— To see what disposition the Town will make of the money refunded by the County on account of dog license.

VOTED THAT THE MONEY REFUNDED BY THE COUNTY on account of dog licenses be used for the maintenance of the public library.

Art. 5— To appropriate money for all the various town expenses including an amount to pay all Town Officers.

VOTED that the sum of \$1000.00 be appropriated for the School Department.

Discussion regarding the transportation of children living in the out skirts of the town. An amended motion being offered that the sum of \$100,000 be increased to \$150,000 for the purpose of the same. This amended motion was adopted.

VOTED that the Town appropriate the sum of \$100,000 for the School Department.

VOTED that the Town appropriate the sum of \$100,000 for Debt and Interest.

VOTED that the Town appropriate the sum of \$70,000 for Highways and Bridges.

VOTED that the Town appropriate the sum of \$100,000 for Water Department.

VOTED that the Town appropriate the sum of \$15,000 for Old Age Assistance.

VOTED that the Town appropriate the sum of \$100,000 for Old Age Administration—\$700 from the Town and \$300,000 from Federal Grant.

VOTED that the Town appropriate the sum of \$17,341.00 for Welfare and Relief.

VOTED that the Town appropriate the sum of \$25,000 for Aid to Dependent Children.

VOTED that the Town appropriate the sum of \$15,000 for Administration of Dependent Children—\$15,000 from the Town and \$15,000 from Federal Government.

VOTED that the Town appropriate the sum of \$100,000 for Soldiers' Relief.

VOTED that the Town appropriate the sum of \$100,000 for Fire Department.

VOTED that the Town appropriate the sum of \$2,800.00 for Street Lights.

VOTED that the Town appropriate the sum of \$2,500.00 for Removal of Snow.

VOTED that the Town appropriate the sum of \$800.00 for Cemetery expenses in addition to interest from Trust Funds.

VOTED that the Town appropriate the sum of \$400.00 for Sewer Maintenance.

VOTED that the Town appropriate the sum of \$300.00 for Public Library in addition to interest from Trust Funds.

Motion made that the Town appropriate the sum of \$450.00 for the Park Department. After a brief explanation from one of the Park Commissioners, an amended motion was offered that the sum of \$450.00 be increased to \$1100.00 for use of the Park Department.

The vote on this amendment was doubted. The following tellers were appointed by the Moderator:

Mr. Charles DeAngelis, Mr. Robert Horne and Mr. James LaCroix when a rising vote was taken with the result "Yes" 112 - "No" 73, the Amendment was CARRIED.

The legality of having one of the Park Commissioners as a teller was questioned whereupon a motion was offered to appoint a new teller and vote on the question be taken again. This motion was LOST.

VOTED that the Town appropriate the sum of \$1100.00 for Use of the Park Dept.

VOTED that the Town appropriate the sum of \$200.00 for the Planning Board.

To City and Town Clerks and Election Commissioners

WHEREAS petitions have been filed with the State Secretary, in the interest of Paul A. Dever, of Cambridge, Democratic candidate for the office of Governor, and Leverett S. Atwood, of Newton, Republican candidate for the office of Governor, for state-wide recounts of ballots cast at the election held November 5, 1941, for the office of Governor, under the provisions of General Laws, chapter 54, section 135, as amended, etc.

WHEREAS,—after the official tally of the votes by the Governor and Council it appears that the difference in the number of votes cast for the two leading candidates for the office of Governor is less than one per cent of the total number of votes actually cast.

THEREFORE, in order to provide for a recount of the ballots and to become duly certified as to the correctness of the tally, each city and town of the Commonwealth is hereby notified forthwith to send all such ballots and to transmit the necessary returns to the proper authorities, to the registrars of the courts, to the State Secretary,

BURIALS IN MILLIS

[illegible]

REPORT OF THE WATER COMMISSIONERS

To the citizens of Milford

We are still working on the New Street Extension project which was voted at our last annual meeting. The New Street Extension was completed last year and we have been working on the Green Street Extension since that time. We feel that we are making very good progress considering the number of other projects on the project.

A large number of old pipes are being replaced and this work will continue until the system is renewed.

We put in one short extension last year and we are taking care of new houses that are being built. We have two more short extensions planned for this year and we are trying to do this year's work with the appropriation in stead of asking for a new appropriation.

ANNUAL REPORT OF THE FOREST WARDEN

To the Honorable Board of Supervisors

Presenting the Annual Report of Forest Warden this year it is gratifying to note the relatively small number of fires and the very small damage ensuing therefrom.

We answered fifty-two calls, both outside and inside the town. With the Engineer's list of fires there were two calls for outside and one for inside. There were two large fires. We were fortunate in stopping fires in several cases covering an area of two to seven acres, but they were held away from good timber stand and buildings.

With the delivery last July of the Rockville Pump the Graham Truck was changed over for forest work which will help a lot. The Mills Forest Truck and equipment is in good working condition.

However, I do recommend that the equipment for the year 1964 be purchased for the year 1964 and maintained through the year 1965. Conservation only for this work. With the exception of Padi in Sharon, Lower and in the However, it is essential that the ... to be in with the State Department Ten for the above equipment ... much less than the usual price for the equipment.

I wish to call your attention to the situation. There are many in the We have had numerous fire Some turned through ... too near buildings or grassland.

I do take this opportunity to

Yours truly,

[Signature]

REPORT OF SEWER COMMISSIONERS

To the citizens of Mills

The Sewer Commissioners report the usual maintenance work carried on as required by the State Board of Health.

Each year we have considerable work cleaning out the drainage ditch which goes from the sewer beds to the Charles River. Trees are sometimes found cut and bridged across it and other debris is put into the ditch to block the flow of water.

We would like to ask that anyone who travels along this territory refrain from doing anything which stops the flow of water and that all has to be removed and adds to the expense of the sewerage.

Respectfully submitted

E. F. RICHARDSON,
HLOYD C. KING,
CLARENCE F. SIMPSON,

SEWER COMMISSIONERS.

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen
and Citizens of Mills

The damage caused by the Hurricane is still an
event and although each year since a certain portion of
the money appropriated for this department has been used
in trying to bring these trees back to their original state
there are still many trees where finished cuts are to be
made.

The sleet storm which came at the beginning of the
year caused considerable damage. Money which should
have been allotted to hurricane damage, representing the
trees and removal of dead ones was used principally for the
sleet storm damage. Many trees which have been set out
have not survived especially those located on the
Ways. These should be replaced at once to a more permanent
stock that did survive.

An increased appropriation would enable us to
do our most important work on our "hole trees".

Respectfully submitted

JOSEPH E. WILSON

General Relief

During the year aid was granted to 31 direct relief and work relief cases. The number of family persons represented 181, the number of single persons 21.

At the beginning of the year we were faced with an increasing number of work relief cases. The situation continued for several months, the business pickup during the last half of the year resulted in a number of cases being called back to their former positions in the factories. Some cases have been assigned to W. P. A. employment. The Joseph M. Hermen Shoe Company has cooperated with our board giving all employable cases work. With the exception of three cases all are direct relief.

In our work of investigation and visitations we were allowed the services of Chief Schell. Through his assistance several difficult situations have been adjusted. One long outstanding bill for \$544.30 from the Town of Swampscott was recovered after your local board and Chief

Scholl visited the Board of Directors
This assistance has been possible through the
of the Board of Selectmen.

ANNUAL REPORT OF BOARD OF FIRE ENGINEERS

January 15, 1941

To the Honorable Board of Selectmen

The Board of Fire Engineers wish to express their gratitude to your Board and all others for the many courtesies extended to us which enabled us to render efficient service to those who called upon us.

This past year our department answered 41 calls, many of which were still alarms that enabled us to keep within our appropriation. A list of same is attached.

The new piece of apparatus that was voted at last year's Town Meeting was purchased from Barr & Co. of Asheville by a committee consisting of the Selectmen, Fire Engineers, and two members of the Rockville Department. It has been placed at the Rockville station.

This year we are asking for \$3,000.00 for maintenance, \$500.00 for purchase of hose and \$1,400.00 for maintenance on engines, one-half of each to the three factories and one-half to the high school.

Respectfully yours

JOHN J. WALSH
THOMAS A. HIPSLEY
MORLEY J. RICHMOND

Board of Fire Engineers.

ANNUAL REPORT OF THE PLANNING BOARD

To the Citizens of Millis:

We hereby submit our annual report of our activities
for the past year.

In keeping with our former practice we have continued
with the development of a large scale map of the town;
we can report progress only, as our limited funds do not

This ordinance there is bound herewith a plan of the Town, showing the various zones established under this ordinance. We have endeavored to prepare this ordinance with every consideration for the future growth of this community insofar as land use is concerned. This should not be considered in any light as a building code.

OSGOOD F. DEAN,
JAMES W. PAYSON,
HAROLD W. WHITING,
CHARLES A. S. PURDY.

TOWN ACCOUNTANT'S REPORT

The following is a report of the receipts and expenditures of the various town officers for the year ending Dec. 31st, 1940.

I wish to thank all the Town Officers for their support and cooperation during the past year.

The foregoing is an accurate account of the financial standing of the town's accounts as of December 31, 1940.

L. J. REARDON,

Town Accountant

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

**Division of Accounts
REPORT OF AN AUDIT
of**

**THE ACCOUNTS OF
THE TOWN OF MILLIS**

For The Period From June 17, 1937 To June 17, 1940

**Made in Accordance with the Provisions of
Chapter 44, General Laws**

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

Division of Accounts

State House, Boston

October 8, 1940

To the Board of Selectmen
Mr. Rudolph F. King, Chairman
Millis, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the accounts of the town of Millis for the period from June 17, 1937 to June 17, 1940, made in accordance with the provisions of Chapter 44, General Laws. This is a report made to me by Mr. Herman B. Dineen, Director of Accounts.

Very truly,

THEODORE N. WADDE

Director of

Mr. The Hon. N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House Boston

Sir:

As directed by you I have made an audit of the books and accounts of the town of Millis for the period from June 17, 1937, the date of the previous audit, to June 17, 1940, and submit the following report thereon.

The financial transactions as recorded in the books of the officials receiving or disbursing money for the town or sending out bills for collection were examined, checked and verified.

The books and accounts of the town accountant were examined and checked. The examination showed that the accountant's ledger was incomplete and inaccurate, and it was necessary to compile general ledger accounts for the entire period covered by the audit and to rewrite the general ledger for the period from January 1 to June 17, 1940.

All received receipts were checked with the treasurer's record of receipts and the payments were compared with the amounts entered in the treasurer's check book.

The appropriations as entered in the ledger were checked with the town clerk's record of town meeting action. It was noted that appropriations have been voted annually for the full requirements of old age assistance and for dependent children although substantial amounts in the form of special grants are available for expenditure for the purposes stated. Appropriations voted for old age assistance and for dependent children should cover the

The books and accounts of the former and present town treasurers were examined and checked in detail. The recorded receipts were analyzed and compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the disbursement of town funds and with the books of the town accountants.

The cash balance of the former treasurer was reconciled as of February 13, 1939, and the amount turned over to the present treasurer on that date was verified.

The cash balance of the present treasurer on June 17, 1940, was proved by a reconciliation of the bank balances and statements furnished by the banks of deposit and by actual count of the cash on hand.

The payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The securities, including savings bank books, representing the investments of trust funds in the custody of the town treasurer were examined and listed. The income was proved and the withdrawals were checked with the receipts entered in the treasurer's cash book.

The books and accounts of the former and present tax collectors were examined and checked. The poll, property, and motor vehicle excise taxes, as well as special assessments outstanding according to the previous audit were examined, and all subsequent commitments and recommitments were reconciled with the assessors' warrants. The payments to the treasurer were checked to the treasurer's cash book, the recorded abatements were compared with the assessors' records of abatements granted and the out-

standing account of the same and also reconciled with respective ledger accounts.

Verification of the ... sending notice to a number of ... printed on the book ... the ... paid received thereto ... are correct.

It was noted that the ... the treasurer as late as January ... books of the treasurer as having been received during the year prior to that in which they were ... treasury. In this connection attention is called to 56 Chapter 44, General Law, which provides that the fiscal year of all towns of the Commonwealth shall be from December thirty-first.

The records of tax titles were examined in connection with the deeds on file with the recorder of deeds, the Deeds, and with the accounts of the collector.

The commitments of water charges were examined and checked. The recorded payments were compared with the treasurer's cash book and the ... ing account ... tant's ledger.

The town clerk's records of dog and sporting licenses were examined the payment ... by comparison with receipts ... the town treasurer being compared with the cash book.

The accounts of the ... a letter to the public ... as well as all other ... the town or committing ... checked and reconciled with the countant's books.

It was noted, in examining the records of cash receipts of the various departments, that some department heads and officials have not paid to the town treasurer on or before the fifth day of each month all sums collected by them during the month previous, as is required by Section 1, Article 5 of the Town By-Laws.

In addition to the balance sheet referred to, there are appended to this report tables showing a reconciliation of the cash of the treasurer and the tax collector, together with summaries of the tax assessment, tax titles, departmental, and water accounts, as well as tables showing the trust fund transactions.

For the cooperation extended by the various town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

| Total Sealing fee | \$1.50 | |

JOHN J. WILSON

REPORT OF THE BOARD OF SELECTMEN TO THE CITIZENS OF MILLIS

The Board of Selectmen submit the following report for the year 1940.

During the early part of the year the Board spent considerable time looking for a suitable bathing spot for the town people to use. Three places were considered, the Charles River, one of the suggestions being made by the Junior end of Poggester Pond.

The water remained very high in the Charles River until late in June, leaving it impossible to use any of these places until late in the season. It was also found to be difficult to secure the use of the land for any great period of time. We felt it would not be wise to spend money on the use of these places and then not be able to use the bathing place the next year.

We finally made arrangements with the Village of Medfield to use Kingsbury Pond on Spring Street. Medfield Life Guards and swimming instructors were hired by Medfield and Millis, to be in attendance at all times during the day. Through the cooperation of the Medfield School Committee suitable arrangements were made for transportation to and from the bathing pond.

The first trip was made July 13 with twenty-seven passengers. The largest number to go on any one day was one hundred and fourteen (140) on July 19, 1940.

We have a total of 41.99 miles of road in Malis divided as follows:

5.18 miles of Bituminous Macadam
23.51 miles of gravel with tar
4.85 miles of gravel without tar
8.45 miles of dirt road

We wish to recommend the purchase of a new dump truck for the Highway Department in 1941, by turning in the truck in 1931 and 1934 models.

We also wish to recommend the purchase of a new pickup truck in 1941.

The 1940 "Contact" report shows a consolidated and complete inventory of resources and a record of expenditures for 1940.

We wish to express our appreciation to Mr. J. H. Simpson for his cooperation in the collection of data which has been of great help in the preparation of this report.

We have heard the following budget for 1941.

| | |
|----------------------------------|-----------------|
| Superintendent and Control | \$ 1,100 |
| Teachers Salaries | 30,925 |
| Text Books | 650 |
| Supplies | 1,400 |
| Key-ops | 800 |
| New Equipment | 300 |
| Food | 2,000 |
| Heat | 900 |
| Utilities | 500 |
| Insurance | 600 |
| Transportation | 2,450 |
| Library | 100 |
| Gifts | 100 |
| Depreciation | 1,800 |
| Miscellaneous | 975 |
| Total | \$48,600 |

NET COST OF SCHOOLS 1940

| | |
|-------------------------------|--------------------|
| State Department | \$42,000.00 |
| Commonwealth | |
| School Fund, Part I | \$5,770.00 |
| Property Income Tax | |
| School Fund, Part II | 413.07 |
| Superintendent's Salary | 483.33 |
| Public School Grant | 1,250.00 |
| Interest on Bonds | 355.64 |
| Total | \$35,002.48 |

The Commonwealth is over 23% of the Town Appropriation for schools.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I have the honor to submit to the Committee of Millis

My annual report is written in the midst of a year of tremendous financial and far-reaching problems. It is a time when schools

1. The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom.

2. In the second part, we shall consider the question of the influence of the external magnetic field on the structure of the atom.

3. The third part of the paper is devoted to a discussion of the question of the influence of the external electric field on the structure of the atom. In this part, we shall consider the case of a uniform electric field and the case of a non-uniform electric field. In the case of a uniform electric field, the structure of the atom is not changed. In the case of a non-uniform electric field, the structure of the atom is changed. The change in the structure of the atom is due to the fact that the external electric field causes a displacement of the electron cloud relative to the nucleus. This displacement is proportional to the strength of the electric field. The displacement of the electron cloud leads to a change in the moment of inertia of the atom, which in turn leads to a change in the energy levels of the atom. The change in the energy levels of the atom is proportional to the square of the strength of the electric field.

4. The fourth part of the paper is devoted to a discussion of the question of the influence of the external magnetic field on the structure of the atom. In this part, we shall consider the case of a uniform magnetic field and the case of a non-uniform magnetic field. In the case of a uniform magnetic field, the structure of the atom is not changed. In the case of a non-uniform magnetic field, the structure of the atom is changed. The change in the structure of the atom is due to the fact that the external magnetic field causes a displacement of the electron cloud relative to the nucleus. This displacement is proportional to the strength of the magnetic field. The displacement of the electron cloud leads to a change in the moment of inertia of the atom, which in turn leads to a change in the energy levels of the atom. The change in the energy levels of the atom is proportional to the square of the strength of the magnetic field.

5. The fifth part of the paper is devoted to a discussion of the question of the influence of the external electric field on the structure of the atom. In this part, we shall consider the case of a uniform electric field and the case of a non-uniform electric field. In the case of a uniform electric field, the structure of the atom is not changed. In the case of a non-uniform electric field, the structure of the atom is changed. The change in the structure of the atom is due to the fact that the external electric field causes a displacement of the electron cloud relative to the nucleus. This displacement is proportional to the strength of the electric field. The displacement of the electron cloud leads to a change in the moment of inertia of the atom, which in turn leads to a change in the energy levels of the atom. The change in the energy levels of the atom is proportional to the square of the strength of the electric field.

The following table shows the enrollment of the school for the year 1940-1941. The enrollment for the year 1940-1941 was 1,234. The enrollment for the year 1939-1940 was 1,156. The enrollment for the year 1938-1939 was 1,089. The enrollment for the year 1937-1938 was 1,012. The enrollment for the year 1936-1937 was 945. The enrollment for the year 1935-1936 was 878. The enrollment for the year 1934-1935 was 811. The enrollment for the year 1933-1934 was 744. The enrollment for the year 1932-1933 was 677. The enrollment for the year 1931-1932 was 610. The enrollment for the year 1930-1931 was 543. The enrollment for the year 1929-1930 was 476. The enrollment for the year 1928-1929 was 409. The enrollment for the year 1927-1928 was 342. The enrollment for the year 1926-1927 was 275. The enrollment for the year 1925-1926 was 208. The enrollment for the year 1924-1925 was 141. The enrollment for the year 1923-1924 was 74. The enrollment for the year 1922-1923 was 7.

On Friday, March 18, the League Committee and the pupils of Junior-Senior High School assembled for the essay contest. The first prize award in each group was a bronze medal, the cup of fame engraved on the back. All the pupils whose essays were excellent as well as of fair quality, were presented with attractive certificates.

Group 1, Grades 11 and 12

| First Prize | First Prize |
|----------------|----------------|
| John J. Norton | Elizabeth Galt |
| | Betty Morgan |
| | Joanne Payton |

The Junior-Senior Class held their annual promenade at the West End, Troy, Ind.

On April 12 twenty-three members of the Senior Class accompanied their chaperones, Mr. Thomas L. Smith and Miss Mary K. Smith, on their eleventh annual trip to Washington, D. C.

On May 1 the Junior Class, under the direction of their chaperone, Miss DeVore, held their annual Junior Promenade and Senior Reception. The grand march was led by Richard Scott, Junior President of the Senior Class, and Joanne Ellen Payton, Junior President of the Junior Class.

ANNUAL REPORT OF SCHOOL PHYSICIAN

I am happy to report to you

I am happy to report to you that the school children have
been very healthy and that the school year has been a
very successful one. I have been very pleased to see the
children and the teachers and the parents and all others who
have contributed to the success of the school year.

The children have been very healthy and the school year
has been a very successful one. I have been very pleased to
see the children and the teachers and the parents and all
others who have contributed to the success of the school year.

There has been a very successful school year and the
children have been very healthy. I have been very pleased
to see the children and the teachers and the parents and
all others who have contributed to the success of the school
year. I have been very pleased to see the children and the
teachers and the parents and all others who have contributed
to the success of the school year. I have been very pleased
to see the children and the teachers and the parents and all
others who have contributed to the success of the school year.

I wish to thank our friends, Mr. Brown, for their
kindness and assistance in the school year. I wish to
thank you for the help and assistance you have given me.

Respectfully submitted

EUGENE F. BROWN

REPORT OF THE SCHOOL NURSE

[Faint handwritten notes, likely bleed-through from the reverse side.]

The first of these is the fact that the
 government has been unable to raise the
 necessary funds to meet its obligations.
 This has been due to a number of factors,
 including the fact that the government has
 been unable to collect the necessary taxes.
 The second factor is the fact that the
 government has been unable to borrow the
 necessary funds from the international
 community. This has been due to the fact
 that the government has been unable to
 provide the necessary collateral for the
 loans. The third factor is the fact that
 the government has been unable to attract
 the necessary foreign investment. This has
 been due to the fact that the government
 has been unable to provide the necessary
 guarantees for the investment.

I have been thinking of you a great deal lately, and wondering how you are getting on. I hope you are well and happy. I am still the same old me, but I am getting on as well as I can. I am still working hard, but I am getting on as well as I can. I am still working hard, but I am getting on as well as I can.

1. I had no idea that there were
any other places where...

[illegible]

To the Superintendent of Schools.

I am pleased to submit my report on athletics with this year (1941).

Basketball

For the second consecutive year the Mills High School basketball team won the Inter-County League championship without suffering a single defeat. This is the second year which Mills has won this championship without having been defeated by a league team. Our season culminated with a victory over the League All-Stars. During nineteen games we were victorious in fifteen for a very successful season. The work of Captain Joseph Bayraushian was outstanding. This boy alone scored 28 out of his team's 24 points. He was very assisted by two seniors, Varant Najarian and William Whalen. He played a stellar game throughout the season. Harry Najarian, John F. Williams, and Robert Collins made considerable plays throughout the season. The following boys participated in basketball:

| | |
|-----------------------------|-----------------|
| Joseph Bayraushian, Captain | |
| William Whalen | Starting Line |
| Varant Najarian | Charles Masse |
| John F. Williams | Robert Mott |
| Haig Najarian | Carter White |
| Joseph Bayraushian | Thomas Smith |
| Robert Collins | Frederick Jones |
| Victor Leontie | Saul Pearson |
| Edward Lambley | George Nasse |
| William Botterman | Richard Barrett |
| Paul Gashin | Edward Palmer |
| Paul McCarthy | George Proctor |

Baseball

Flamingo and the Eagles secured the Mills High School basketball team which ended the season as champions. Captain Varant Najarian, Captain-elect Charles Masse, Joseph Bayraushian, Fredrick King, George Cando, Richard Barrett and William Whalen played well during the season. The following boys participated in baseball:

| | |
|---|----------------|
| Varant Najarian, Captain | |
| John Mazzette and Robert Mott, Managers | |
| Joseph Bayraushian | Frederick King |

1. The first part of the paper is devoted to a general discussion of the problem. It is shown that the problem is of great importance in the theory of the structure of the atom.

2. In the second part of the paper, the author gives a detailed account of the experimental results obtained by him and his co-workers. It is shown that the results are in good agreement with the theoretical predictions.

3. The third part of the paper is devoted to a discussion of the results of the experiment.

4. In the fourth part of the paper, the author gives a detailed account of the theoretical results obtained by him and his co-workers. It is shown that the results are in good agreement with the experimental results.

5. The fifth part of the paper is devoted to a discussion of the results of the experiment.

6. The sixth part of the paper is devoted to a discussion of the results of the experiment. It is shown that the results are in good agreement with the theoretical predictions.

Ch. H. H.

**PROPOSED
ZONING BY-LAWS**

PROPOSED ZONING BY-LAW FOR THE TOWN OF MILLIS, MASSACHUSETTS

Prepared by the Planning Board,
Arthur C. Comey, Planning Consultant
December 6, 1940

A by-law to promote the health, safety, convenience, and welfare of the inhabitants by dividing the town into districts and regulating the use and construction of buildings and premises with a view to encouraging the most appropriate use of land in the town.

SEC. 1 ESTABLISHMENT OF DISTRICTS

1. **Classes of Districts.** The Town of Millis is hereby divided as shown on the Zoning Map dated February 10, 1941, and filed with the Town Clerk, into four classes of districts:

Residence A districts
Residence B districts
Business districts
Industrial districts

2. **Lots in Two Districts.** Where a district boundary line divides any lot existing at the time such line is adopted the regulations for the less restricted portion of such lot shall extend not more than thirty feet into the more restricted portion, provided the lot has frontage in the less restricted district.

SEC. 11. RESIDENCE A; DISTRICT USES

In a residence A district no building shall be altered and no building or structure shall be erected for any purpose except:

1. Detached one-story detached house
2. Private club not open to the public and containing more than five sleeping quarters
3. Church
4. Educational use
5. Farm, poultry farm, dairy farm, or other agricultural use in which no more than five persons are employed
6. Home for the aged
7. Any use on the property adjacent to any of the following: a residential neighborhood, a residential neighborhood, a residential neighborhood, a residential neighborhood, a residential neighborhood
8. Any garage, carport, or other structure not exceeding three automobiles and not exceeding 100 square feet in area
9. Storage of materials, except on a farm
10. The taking of a mortgage
11. The sale of property, except when there is no other use on the property

(c) Advertising signs except those pertaining to the lease, sale or use of a lot or building on which they are placed, and not exceeding a total area of twelve square feet, provided that on a lot occupied by a building there may be not more than two signs with a total area of not more than two square feet pertaining to the use thereof or bearing a name and the designation of an authorized occupation, and being such signs as are customary on any building used for the purposes permitted by this section.

8. Any of the following uses, provided it is not injurious, unsightly or offensive to the neighborhood and not prohibited by the Board of Appeals:

- (a) Aviation field
- (b) Cemetery
- (c) Golf club
- (d) Gravel, lumber or other storage yard
- (e) Greenhouse
- (f) Hospital, convalescent home, nursing home, institution or philanthropic use
- (g) Ice harvesting and storage on the same premises
- (h) Municipal use
- (i) Riding stable
- (j) Telephone exchange, not including a service station or outside storage of supplies

SEC. III. RESIDENCE B; DISTRICT USES

In a residence B district no building shall be erected or altered and no building or premises shall be used for any purpose except:

0.000 1.000 0.000 0.000

7

11 1

• • • • •

SEC. IV. BUSINESS DISTRICT USES

1. The first step is to identify the problem. This involves understanding the situation and the goals that need to be achieved.

1. The first part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation

$\int_{\mathbb{R}^n} \left(\frac{1}{2} |\nabla u|^2 - \frac{1}{2} |\nabla v|^2 \right) dx = \int_{\mathbb{R}^n} \left(\frac{1}{2} |\nabla u|^2 - \frac{1}{2} |\nabla v|^2 \right) dx$

$\frac{1}{2}$

$\frac{1}{2} \left(\frac{1}{\sqrt{2}} + \frac{1}{\sqrt{2}} \right) = \frac{1}{2}$

$$= \frac{1}{2} \left(\frac{1}{2} + \frac{1}{2} \right) = \frac{1}{2}$$

$\frac{1}{2}$ $\frac{1}{4}$ $\frac{1}{8}$ $\frac{1}{16}$ $\frac{1}{32}$

I have a question about the first part of the text.

$\frac{1}{2} \left(\frac{1}{\sqrt{2}} + \frac{1}{\sqrt{2}} \right) = \frac{1}{2}$

SEC. V. INDUSTRIAL DISTRICT USES

In an industrial district no building shall be erected or altered and no building or premises shall be used for any purpose noxious, noxious, or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise or other cause.

SEC. VI. NON-CONFORMING USES

1 **Continuation of Non-conforming Uses.** Any law-making or use of a building or premises or part thereof existing at the time this by-law or any amendment thereto is adopted may be continued although such building or use does not conform to the provisions thereof, and such building or use may on approval of the Board of Appeals be extended throughout such premises, provided such use has not been discontinued for a period of one year.

2 **Change of Non-conforming Uses.** The Board of Appeals may permit any non-conforming use to be changed to any specified use not substantially different in character or more detrimental or objectionable to a neighborhood.

3 **Limitation on Restoration.** No building which has been damaged by fire or other cause to the extent of more than three-quarters of its value shall be repaired or rebuilt except in conformity with this by-law unless the Board of Appeals so authorizes.

SEC. VII. HEIGHT REGULATIONS

1 **Residence and Business District Heights.** In a residence A or B district or in a business district no building shall be erected or altered to exceed two and one-half stories in height unless it sets back from each street and is one ten feet in addition to the requirements of Section 11. No building shall exceed three stories in height.

3 Industrial District Heights.

Buildings in the industrial district shall not exceed in height the following limits:

4 Measurement of Height.

Height shall be measured from the finished ground level to the highest point of the roof, or to the top of the building, whichever is higher.

5 Height Exceptions.

Buildings in the industrial district may be exempted from the height limitations herein provided they are not over six stories in height.

SEC. VIII. AREA REGULATIONS

6 Rear Yards.

Every lot containing a building shall have a rear yard of sufficient area to provide for the disposal of refuse and other waste material, and to provide for the storage of fuel and other materials.

7 Side Yards.

Every lot containing a building shall have a side yard of sufficient area to provide for the disposal of refuse and other waste material, and to provide for the storage of fuel and other materials. The side yard shall be of sufficient width to provide for the disposal of refuse and other waste material, and to provide for the storage of fuel and other materials.

six feet of a side lot line or of another building, unless there is a party wall.

3 **Front Yards.** In a residence A or B district, no building or roadside stand shall be erected or placed within twenty feet of a street line, and no building of accessory use or farm or poultry farm building other than a dwelling or roadside stand shall be built within sixty feet of a street line, unless so authorized by the Board of Appeals, provided that no building other than a farm or poultry farm building need be set back more than twenty per cent of the depth of the lot nor more than the average of the setbacks of the buildings on the lots nearest thereto on either side; a vacant lot one hundred feet or more in width or a lot occupied by a building set back more than twenty feet being counted as though occupied by a building set back twenty feet. In a business or industrial district no building shall be erected within ten feet of a street line, provided that no building need be set back more than the average of the setbacks of the buildings on the lots nearest thereto on either side; a vacant lot one hundred feet or more in width or a lot occupied by a building set back more than ten feet being counted as though occupied by a building set back ten feet. In any district there shall be in front of every dwelling set far from a street a yard not less than thirty feet deep.

4 **Corner Clearance.** Within the area formed by the lines of intersecting streets and a line joining points on such lines not more than five feet distant from their point of intersection, or in the case of a rounded corner the point of intersection of their tangents, no structure other than a building and no foliage shall be maintained between a height three and one-half feet and a height eight feet above the plane through their curb grades.

5 **Lot Size.** No building except one-story buildings of accessory use, shall be erected in a residence A district on a lot containing less than twenty thousand square
